## Gun Filters

### Description

Gun filters help reduce tip plugging and provide a better quality finish by eliminating large unwanted particles from the spray pattern.

### Advantages

- Prolongs the life of your spray tip
- Helps maintain consistent spray pattern
- Provides high quality finish

### Stainless Steel High Pressure Fluid Filters

Corrosion resistant fluid filters for catalyst and waterborne materials. All stainless steel construction with PTFE o-ring and polyethylene screen support. Resists corrosion from waterborne materials, catalyzed varnishes and other fluids not compatible with carbon steel or aluminum. Polyethylene support prevents screen collapse for maximum performance.
